FOR IMMEDIATE RELEASE

Spanish American League Against Discrimination Condemns the Cowardly Hate Crimes Perpetrated Against Members of the Jewish Community in Pittsburgh, Pennsylvania

MIAMI – October 29, 2018 – The Spanish American League Against Discrimination (SALAD) condemns the violent attack on members of Pittsburgh's Jewish Community at the Tree of Life Synagogue this past Saturday October 27, 2018.

SALAD stands in solidarity with the families and friends of those killed and injured as a result of this horrific anti-Semitic attack against individuals who were targeted simply because of their faith.

Everyone in our country is entitled to enjoy religious freedom and no one should be subject to violent attack and discrimination on the basis of their religion, race, ethnic origin, and gender.

For more information about the Spanish American League Against Discrimination please call **786-452-0704** or write to: info@saladonline.org

*The Spanish American League Against Discrimination (SALAD) is a not for profit organization founded in 1974 to advocate for the advancement and recognition of the contributions of Hispanics and other minorities to the governmental, judicial, cultural, educational, and civic fabric of our community. Throughout its existence **SALAD** has served as a historical precedence to the importance that tolerance and understanding of others can have in the prosperity of a community.*
